About KULIM'S Global Trade Core

Fresh Produce Exporter – Turkey

Turkey-based exporter of fresh agricultural products supplying global markets with reliable quality, competitive pricing and consistent shipments.

KULIM'S Global Trade Core Dış Ticaret A.Ş. specializes in the export of premium fresh onions sourced from selected farms in Turkey. We ensure careful grading, professional packing, and timely delivery to international buyers. We focus on long-term partnerships and consistent export supply.

Our Onion Products

Yellow Onion
Premium quality yellow onions suitable for long storage and export markets.

White (Silver) Onion
Bright white onions ideal for fresh consumption and food processing.

Purple Onion
Strong-flavored purple onions preferred for cooking and wholesale supply.

Sweet Red Onion
Mild and slightly sweet red onions ideal for salads and fresh markets.

Quality & Export Standards

Reliable quality control for international markets

01

Careful Selection

Onions are carefully selected from certified farms ensuring consistent export quality.

02

Professional Grading

Products are sorted and graded according to international export size standards.

03

Export Inspection

Every shipment is inspected before loading to ensure freshness, cleanliness, and compliance.

Production & Supply Capacity

01

Contracted Farm Network

We work with contracted growers across key onion-producing regions ensuring stable and continuous supply.

02

Flexible Shipment Volumes

We can organize weekly and monthly export programs according to buyer demand and seasonal availability.

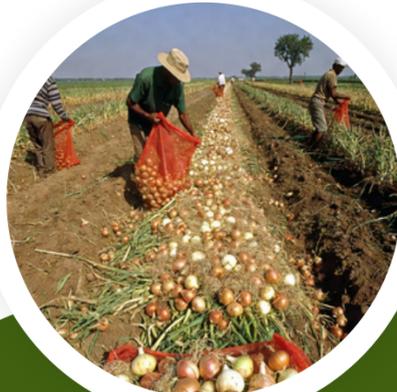

03

Consistent Export Planning

Production, packing, and logistics schedules are coordinated to ensure uninterrupted shipment flow.

Why Choose Us

Reliable Farm Sourcing

We work with selected growers in key onion-producing regions to ensure consistent supply and stable quality.

Professional Export Packing

Products are packed according to international export standards to maintain freshness during shipment.

Flexible Shipment Planning

We provide flexible shipment schedules based on buyer demand and seasonal availability.

Fast Communication & Support

Our team responds quickly to inquiries, quotations, and export coordination requests.
