Product Specifications

Premium Fresh Green Kiwi Fruits

Our premium **fresh green kiwi fruits** meet the highest standards of quality and taste. Sourced from the best orchards, each kiwi is hand-selected to ensure optimal ripeness and firmness, providing the perfect balance of sweetness and tanginess. We offer a consistent size and weight range, ensuring uniformity in every shipment for our clients' satisfaction.

Size & Weight

Our kiwis are typically offered in sizes ranging from 70 to 100 grams, ensuring they are perfect for both retail and wholesale markets. The fruits are packed in standard sizes to meet export requirements. Each kiwi is carefully weighed and measured to ensure compliance with international quality standards, providing our clients with the highest level of satisfaction.

Quality Assurance

We adhere to strict quality assurance protocols throughout the harvesting and packaging processes. Our kiwi fruits undergo rigorous inspection and testing to guarantee they meet international quality certifications. This ensures that every fruit shipped is not only fresh but also free from defects, delivering the best quality to our customers globally.

Harvesting

Quality Assurance and Standards

Overview

Our kiwi fruits are hand-harvested to ensure **optimal ripeness** and quality. Each fruit undergoes strict quality checks before packaging. We adhere to international standards, guaranteeing that our products meet the highest requirements for freshness and taste, ensuring satisfaction for our clients and customers worldwide.

Export Timeline

Key milestones in our process

The export timeline outlines the essential milestones for the successful export of premium fresh green kiwi fruits by Kulims Global Trade Core. Each phase represents a critical step in ensuring that our products meet the highest quality standards while adhering to international shipping regulations. Our dedication to excellence is reflected in our careful planning and execution throughout the export process, from harvesting to delivery. By maintaining a clear and organized timeline, we ensure that our partners stay informed and confident in our commitment to providing fresh, high-quality kiwi fruits for the global market.

Harvesting

Fresh kiwis picked at peak ripeness.

Quality Assurance

Rigorous testing for optimal standards.

Packaging

Securely packed in blue plastic crates.

Shipping

Refrigerated transport to maintain freshness.

Quality Control

Ensuring premium kiwi fruit standards

Quality Assurance

Our kiwi fruits undergo rigorous quality control checks throughout the harvesting and packing process. We ensure that our produce meets international safety and quality standards, including freshness, taste, and appearance. Each shipment is carefully monitored to guarantee that only the **highest quality** kiwis reach our customers within the designated timeframe.

Quality Standards

Key factors ensuring product excellence

Freshness

- Harvested at peak ripeness
- Stored in controlled conditions
- Fast distribution process

Safety

- Regular auditing protocols
- Compliance with food safety standards
- Traceability throughout supply chain

Appearance

- Visual inspections pre-shipment
- Uniform sizing and color
- No blemishes or defects

Taste

- Sweet and tangy flavor profile
- High sugar content assurance
- Consistent taste quality

Packaging

Efficient and secure shipping solutions

Packaging Solutions

Our premium fresh green kiwi fruits are carefully packed in blue plastic crates designed for optimal ventilation and protection. Each crate is meticulously filled to maintain fruit integrity during transportation. This packaging ensures that the kiwis arrive at their destination in peak condition, ready for distribution in the international market.

Refrigerated Shipping

To maintain the freshness of our kiwis during transit, we utilize refrigerated container shipping. This method ensures that the fruits are kept at optimal temperatures throughout their journey, minimizing spoilage and maximizing quality. Our commitment to quality assures that the kiwis reach our clients in perfect condition, ready for the marketplace.
